

14" Gooseneck Stand

Special \$19.00

Regularly \$39.00

Stand and deliver! That's what this flexible Gooseneck Stand does. It is 14 Inches tall and has a heavy base. The 14" flexible gooseneck arm with a universal swivel mount will position any hand-held digital microscope in any orientation for optimal sample viewing or use as a Document Camera or Presentation Camera. This Gooseneck Stand is compatible with the all MicroSight Microscopes and MicroZoom Microscopes.
